JOGNN SUBJECT INDEX

Volume 27

A

Abuse, substance use and psychosocial stress in, 692
Abused women
  culture and oppression systems in lives of, 678
  leaving and recovering from abusive relationships, 700
  registered nurses' attitudes and practices toward, 175
  safety behavior for after intervention during pregnancy, 64
  screening for, 661
Abusive relationship, leaving and recovering from, 700
Addiction, understanding (letter), 12
Adolescents
  perceived relationship with father and maternal attachment in, 420
  pregnancy and preterm labor in, 410
Advanced practice nurses (letter), 364
Africa, childbearing in, 191
Albania, upgrading perinatal nursing practice in, 209
Alcohol, for newborn cord care, 621
Alternative health care
  overview of, 557
  in preventive medicine and treatment, 563
Anxiety
  precolposcopy education and, 636
  prenatal attachment and, 183
Anxiety disorders, during multiple pregnancy and parenthood, 329
At-risk women, for postpartum depression, 39
Attitudes, of registered nurses toward abuse/domestic violence victims, 175
Australia, functional status after childbirth in, 402
Autoimmune disorder, perinatal and neonatal implications of, 493

B

Back transfer, mothers' perceptions of quality of, 394
Bedside musical care, in pregnancy, childbirth, and neonatal care, 569
Behavioral teaching, for childbearing couple, 613
Birth outcomes, solvent exposure and, 521
Body image, postpartum, lifestyle factors in, 151
Bottle-feeding
  versus breastfeeding (letter), 12
  postpartum weight gain and body image in women and, 151
Breast milk replacements, lactation duration and, 646
Breastfeeding
  assessment tools for (letter), 236
  versus bottle-feeding (letter), 12
  education on, 503
  postpartum weight gain and body image in women and, 151
  of premature infants with lung disease, 533
  promotion of, 363
  of twins and higher-order multiples, 441
Breathing techniques, in preventive medicine and treatment, 563
Bronchopulmonary dysplasia, in premature infants, transition time to full nipple feeding with, 533

C

Cervical cancer, Pap smear in reducing deaths from, 367
Childbearing, in Malawi, Africa, 191
Childbearing couple, teaching of, 613
Childbirth
  bedside musical care in, 569
  childhood sexual abuse survivors during, 671
  functional status after, 402
  in Guatemala, 289
Children
  energy healing with, 576
  as sexual abuse survivors, working with during pregnancy, labor, and birth, 671
Clinical practice, ethical aspects of female genital mutilation in, 85
Clinical trials, inclusion of women in, 78
Co-bedding, of twins, 450
Cognitive teaching, for childbearing couple, 613
Colposcopy, education and anxiety during, 636
Comforting techniques, for substance-abusing mothers with substance-exposed newborns, 262
Communication, of sexual risk between young women and partners, 127
Constipation Assessment Scale, during pregnancy, 297
Contraception, emergency postcoital, 25
Cord care, alcohol vs. natural drying for, 621
Cry ratings, infant irritability and, 513
Culture
  in abused women's lives, 678
  in conflict with clinical and ethical views, 85
  giving birth and, 289

D

Delivery, factors influencing uterine activity leading to, 652
Depression
  during multiple pregnancy and parenthood, 329
  postpartum, identifying women at risk for, 39
Developmental support, for twins, 450
Developmental tasks, of multiple pregnancy, 322
Discharge, early
  enhancing with home follow-up, 33
  postpartum, 142
Domestic violence victims, registered nurses' attitudes and practices toward, 175

E

Eclampsia, clinical presentation at readmittance for, 134
Editorials
  on breastfeeding, 363
  on multifetal reduction, 235
  on nursing research, 125
  on reviewer of year, 603
  on safe motherhood in U.S., 491
  on sex reassignment, 11
Energy healing, in women and children, 576
Energy levels, weight gain during pregnancy and, 629
Ethical issues
  of female genital mutilation, 85
  in gynecologic care of women with mental retardation, 251
  of inclusion of women in clinical trials, 78
  of multifetal pregnancy reduction, 338
  of substance-abusing women, 92
Exercise, for women, 383

F

Family
  effects of multiple births on, 329
  support of for infants with ambiguous genitalia, 15
Father, perceived relationship with and maternal attachment in adolescents, 420

Feeding methods, postpartum weight gain and body image in women and, 151
Female genital mutilation, cultural practices versus clinical and ethical views of, 85
Fertility problems, in mentally retarded women, 251
Fetus
  intrapartal crisis of, tocolytic drugs for, 257
  monitoring of
    in multifetal pregnancy, 312
    terminology for (letter), 126
  outcome of and maternal obesity, 431
  surveillance of in multifetal pregnancy, 312
Formula feeding, early, 646
Formula samples, lactation duration and, 646
Functional status
  after childbirth, 402
  weight gain during pregnancy and, 629

G

Gender assignment, 15
Genital mutilation, cultural practices versus clinical and ethical views of, 85
Genital virilization, etiology and treatment of, 15
Genitalia, ambiguous, etiology and treatment of, 15
Grace, Dr. Jeanne, 603
Grief, development and validation of intensity scale for, 547
Guatemala, giving birth in, 289
Gynecologic care, for mentally retarded women, 251

H

Health care
  alternative, 557, 563
  for childbearing women in Malawi, Africa, 191
Healthy People 2000, objectives of for women, 367
High-risk pregnancy, intrapartum care for, 466
High-risk sexual behaviors, sexually transmitted disease rates and, 54
Holistic nursing, bedside musical care in, 569
Home follow-up, for early discharge, 33
Homeless women, interpersonal violence among, 678
Hospital-based lactation program, growth and development of, 503
Human immunodeficiency virus, communication of risk between young women and partners, 127
Humanistic teaching, for childbearing couple, 613
Hydramnios, solvent exposure and risk of, 521
Hypertension, pregnancy-induced, solvent exposure and risk of, 521
Hypothyroidism, diagnosis and management of in pregnancy, 374

I

Infant
  irritability predictors of, 513
  length measurements of, reliability of, 270
  quality of back transfer of, 394
Informed consent, for maternal serum alpha-fetoprotein screening in inner city population, 99
Inner city population, informed consent for maternal serum alpha-fetoprotein screening in, 99
Interacting techniques, for substance-abusing mothers with substance-exposed newborns, 262
International partnerships
  for nursing development in former Soviet Union, 203
  for research mentoring, 197
  to upgrade perinatal nursing practice in Albania, 209
Internet, in women's health promotion, 606
Interpersonal violence, pregnant homeless woman and, 684
Intersexuality
  classification of, 15
  treatment of, 11
Intrapartal tocolysis, for acute intrapartal fetal crisis, 257
Intrapartum care
  for multiple pregnancies, 466
  with systemic lupus erythematosus, 493
Intrauterine resuscitation, with tocolysis, 257
Intuition, in preventive medicine and treatment, 563
Inventory of Functional Status After Childbirth, after early postpartum discharge, 142
Irritability, infant, predictors of, 513
Israel, research mentoring partnerships in, 197

L

Labor
  childhood sexual abuse survivors during, 671
  mechanisms of full-term and preterm, 652
  preterm, adolescents' description and management of, 410
Lactation
  duration of, 646
  hospital-based programs for, 503
Learning
  postpartum needs for, 161
  theories of for childbearing couple, 613
Legal issues
  of inclusion of women in clinical trials, 78
  of substance-abusing women, 92
Length measurements, in full-term neonates, 270
Letters, 12, 126, 236, 364, 604
Levothyroxine therapy, during pregnancy, 374
Lifestyle factors, in postpartum weight gain and body image in bottle- and breastfeeding women, 151
Low-birth-weight infants, with multiple pregnancies, 466
Low-risk women, predicting attendance of at preterm birth prevention classes, 279
Lung disease, in premature infants, transition time to full nipple feeding with, 533

M

Malawi, childbearing in, 191
Maternal Concerns Questionnaire, after early postpartum discharge, 142
Maternal identity formation, in adolescents, 420
Maternity Nursing Home Follow-up Project, 33
Meditation techniques, in preventive medicine and treatment, 563
Mental retardation, gynecologic care for women with, 251
Milk bank, development of, 503
Mind-body fitness programs, 563
Mind-body-spirit connection, in energy healing, 576
Miscarriage, perinatal grief intensity scale for, 547
Mothers
  assessment of in multifetal pregnancy, 312
  attachment and perceived relationship with father in adolescents, 420
  milk bank of, 503
  mortality rates of in U.S., 491
  perceptions of quality of infant back transfer, 394
  postpartum teaching priorities of, 161
  serum alpha-fetoprotein screening of in inner city population, informed consent for, 99
Multifetal pregnancy
  depression and anxiety disorders during, 329
  expectant mother's views of, 322
  fetal surveillance in, 312
  intrapartum care for, 466
  methods of preventing, 235
  prenatal care and, 457
  reduction of, 338
Multifetal reduction, 235
Multiple births
  breastfeeding and, 441
  depression and anxiety disorders with, 329

expectant mother's views of, 322
explosion of, 302
prevention of, 338
Musical care, in pregnancy, childbirth, and neonatal care, 569

N

Neonatal Behavioral Assessment Scale, in predicting infant irritability, 513
Neonatal care, bedside musical care in, 569
NetWellness, in women's health promotion, 606
Newborns
alcohol vs. natural drying for cord care in, 621
infant irritability predictors for, 513
reliability of length measurements in, 270
substance-exposed, interactions with substance-abusing mothers of, 262
systemic lupus erythematosus effects on, 493
NICU/CH Transfer Quality Scale, in assessing quality of back transfer, 394
Nipple feeding, transition time to for premature infants with lung disease, 533
Nurse-managed intervention, for smoking cessation during pregnancy, 47
Nursing, development of in former Soviet Union, 203
Nursing Child Assessment Feeding Scale, for substance-abusing mothers, 262
Nursing practice
multiple birth explosion and, 302
perinatal, in Albania, 209
of registered nurses toward abuse/domestic violence victims, 175
Nursing research, value of, 125
Nursing staff, postpartum teaching priorities of, 161

O

Obesity, perinatal outcomes and, 431
Oppression, in abused women's lives, 678

P

Papanicolaou smear, impact of on women's health promotion, 367
Parenthood, effects of multiple births on, 329
Partner abuse, assessing women for, 661
Patient education, anxiety during colposcopy and, 636
Perinatal Grief Intensity Scale, development and validation of, 547
Perinatal loss, pregnancy after, 183
Perinatal nursing practice, upgrading of in Albania, 209
Perinatal outcomes, of obese women, 431
Perinatal substance abuse, registered nurses' knowledge and attitudes toward, 70
Physical activity, in women, 383
Physical fitness programs, traditional and mind-body, 563
Postpartum Depression Predictors Inventory, for at-risk women, 39
Postpartum employment, lactation duration and, 646
Postpartum preeclampsia/eclampsia, clinical presentation at readmittance for, 134
Postpartum teaching priorities, from nurses' and mothers' viewpoints, 161
Precocious sex, sexually transmitted disease rates and, 54
Preeclampsia, clinical presentation at readmittance for, 134
Pregnancy
abuse, substance use, and psychosocial stress during, 692
adolescents' description and management of, 410
adverse outcomes of, risk of with solvent exposure, 521
after perinatal loss, 183
bedside musical care in, 569
childhood sexual abuse survivors during, 671
Constipation Assessment Scale for, 297
hypothyroidism diagnosis and management in, 374
intervention for abused women during, 64
nurse-managed smoking cessation intervention during, 47
obesity and outcome of, 431
prepregnant weight and weight gain during, 629
from rape, 25
smoking during, 241
solvent exposure during, 521
substance abuse during, registered nurses' knowledge and attitudes toward, 70
systemic lupus erythematosus effects during, 493
Prematurity
with multiple pregnancies, 466
transition time to full nipple feeding with, 533
Prenatal attachment
after perinatal loss, 183
anxiety and, 183
Prenatal care, multiple pregnancy and, 457
Preterm birth prevention classes, predicting low-risk pregnant women's attendance at, 279
Preterm labor
adolescents' description and management of, 410
mechanisms of, 652
Preterm nonstress tests, for multifetal pregnancy, 312
Preventive medicine, yoga in, 563
Pseudohermaphrodism, etiology and treatment of, 15
Psychosocial stress, substance abuse and during pregnancy, 692

R

Race, maternal mortality and, 491
Rape, pregnancy resulting from, 25
Registered nurses
attitudes and practices of toward abuse/domestic violence victims, 175
knowledge and attitudes toward perinatal substance abuse in, 70
Reproductive self-determination, pregnancy from rape and, 25
Reproductive technology, harmful, 235
Research mentoring partnership, in Israel, 197
Reviewers, 603
Risk communication, between young women and partners, 127
Risk factors, for postpartum depression, 39
Role-related activities, resumption of after childbirth, 402

S

Safe Mother Initiatives-USA, 491
Safety behaviors, of abused women after intervention during pregnancy, 64
Scientific issues, of inclusion of women in clinical trials, 78
Sex assignment, 15
Sex reassignment, 11
Sexual abuse
sexually transmitted disease rates and, 54
survivors of, working with during pregnancy, labor, and birth, 671
Sexual differentiation, abnormal, 15
Sexual risk communication, between young women and partners, 127
Sexually transmitted disease
communication of risk between young women and partners, 127
with high-risk behaviors, precocious sex, and sexual abuse, 54
Smoking
among women, 241
cessation intervention, nurse-managed, during pregnancy, 47
Social activities, resumption of after childbirth, 402
Sociocultural context, of giving birth, 289
Solvent exposure, risk of adverse outcomes with, 521
Soviet states, nursing in, 203

Substance abuse
in abuse and psychosocial stress during pregnancy, 692
ethical and legal issues of in care of women practicing, 92
perinatal, registered nurses' knowledge and attitudes toward, 70
Substance-abusing mothers, interactions with substance-exposed newborns, 262
Supportive care strategy, for twins, 450
Systemic lupus erythematosus, perinatal and neonatal implications of, 493

T

Teaching priorities, postpartum, from nurses' and mothers' viewpoints, 161
Teaching theory, for childbearing couple, 613
Thyroxine needs, during pregnancy, 374
Tobacco, use of among women, 241
Tocolysis, for acute intrapartal fetal crisis, 257
Twins
breastfeeding of, 441
co-bedding of, 450

U

Ultrasonography, for multifetal pregnancy, 312
Umbilical cord care, alcohol vs. natural drying for, 621
University of Pennsylvania School of Nursing, research mentoring partnership of in Israel, 197
Uterine activity, full-term and preterm labor mechanisms and, 652

V

Violence, among pregnant homeless women, 678

W

Weight gain
postpartum, lifestyle factors in, 151
prepregnant weight and, 629
Women
in clinical trials, 78
energy healing with, 576
physical activity patterns of, 383
smoking trends in, 241
Women's health promotion
Pap smear in, 367
via World Wide Web, 606
Working women, influences on lactation duration in, 646
World Wide Web, in women's health promotion, 606

Y

Yoga, in preventive medicine and treatment, 563
